THIS PAPER IS PRINTED With Ink formished by JAENECEE BROS. & FR. BURNELMANN, New York City. my?s.M.cm FOR THE SHORT ACCOUNT

The Market Has the Appearance of Being Sold to a Standstill.

Cover Commitments as Early as Possible-Sharp Advances, Followed by Gradual Declines-The Weakness of Brooklyn Rapid Transit.

professional speculative situation, the employment of the Wall Street vermicular is all appearances of being sold to a standatili, At all events there can be no question as to the nervousness of the very extended short account in the market and indeed there are daily abundant evidences of the willing. These and anxiety of tills party to reduce its commitments as speedily as possible. Their anxiety is plainly based upon the fact that outside liquidation has culminated and all appearances of being sold to a standstill, puriside liquidation has culminated and neither their frantic efforts to force its renewal, nor the development of outside con-ditions calculated to do so, prove success-ful to that end. In today's stock market there were many pronounced advances, the greater part of which were clearly attributed to purchases for the abort account On Furniture, Planon, Etc.

If you are in need of money, we desire to fetern you of our new method. We can secure you a lean on she cary mearthly payment plan, at less cost than ever before and below the rate of any other company in the city. You can pay in full at any time after the loan is secured, and it will only cost you for such time as you have had the money. Our business is arisetly private, and all applications are rested condentially. If you have a lean with any other current you can secure a foun through us to pay it and get more money if desired. It will pay you to call and see us before going circubers. We are ready at any and all times durien office hours to give information concerning our business methods, and you will species a courteous treatment. There were other noteworthy raises also which need not be referred to the name rause, although they undoubtedly were ef-Loans of \$10 and apwards made on FURNITUR- PIANOS, HORSES, Wagons, etc., at lowest rates and on the day you apply. We are maring on the Bullding & Lean Association plan, which makes the cost of carrying leans much less than you pay elsewhere and allows you to pay it off in any sixed notes you desire, running from one to twelve mouths. You only pay let the use of mounty for the length of time you carry it. If you have a lean with some other company we will pay it off and advance you more money if desired Rates elsewhilly given and no cost to you unless loan is made. Leans made structure from the Histrict. Tall and are rates. From from first floor. Sci.

minimies were hardly mentioned in continuous with their strength. Insemined as in tremendous volume of traffic throught the country is severely testing the capity of its railroads, and notably that of capity of its railroads, and one of the capity of the same to a completion with the tennage of New York Central to the price advanced rapidly. It is undoubtedly very closely beld. This is the case in many other directions among the railway stocks, and it offers one of the chief bull arguments in the price of the capity of the Landon market to declines that appeared there were obtainly awing to the fears of a prolonged that there is less flouring stock. Of the agrees of the war in South Africa. As a see throughout the week the operations for foreign account in this market than for the increase inconsiderable. The uncertain opening seemed to encourage the bearian factions to make a further attack upon prices, and, as usual, they acteried Brook, iyu Rapid Transit to bear the brunt of the Therations. It was soon the case of the week the many menths past. New York Central always menths past. New York Cent

To lease on furniture, planes, etc., without removal or publicity and the day you ask too it. We will loan any expount making time and payments to suit, giving one month or one year as you dealer, and at races that you can afford to pay. If you now have a lean with any other company and dealer more money, give us a call. Will as cheerfully make a \$10 ken as \$100 and to charge or expense if lean is not made. Always ready and willing to give information regarding states and methods to secure loan. We are the elidest less company in the city, and will give you bonest freatment. All bushess strictly confidential. Private offices. strations.
It was soon apparent, however, that they It was soon apparent, however, that they were insetting with no outside assistance, and with the course of the morning the whole market developed strength under the effective leadership of the Vanderolit shares. St. Paul and the other standard issues followed in this lead and indeed the improving tendency of the market was general. Very sharp advances took place in Sugar Refining, Manhuttan, Metropolitan Street Rallway, People's Gas, and Brooklyn Rapid Transit also railled aharnly. As was to be expected, the full measure of the advances in these stocks was not fully retained at the close, and indeed, the afternoon dealings were marked by some substantial recessions, but the connection with the settlement of the Cen-tral Pacific adjustment were a factor in the strength of sterling as were the other influences referred to earlier in the week. Of the large number of traffic returns re-

Waters plu He sky at the western Union Tel. ... he sky at the Mr. Keene has been a very prominent figure in the stock market for two days, pany has made a definite premise of divi-or since his interview published in one of deads on the stock at the end of its first the New York papers. In some ways, in-deed, he has for many weeks been one of the most preminent, if not of the most im-portant, people in Wall Street. The truth as to his exact position is the market fast European, \$1 and up. American, \$1.50 to \$2.50. Bith st., bet. Pa. ave. and F st. nw., Washington, D. C. T. M HALL, Proprietor. week and this week would be most interesting, and it might prove of the atmost ere various theories regarding the matter American and European plan. American plan \$2.50. European plan, \$1. Thoroughly renowated Stram heat in every room. Cafe open until and ed his very bearish interview for the pupose of creating an easy market on which to cover his short contracts. Mr. Keene has been supposed to be enormously involved on the short side of the market. One of the estimates that has mer with FLATS, \$20. neral belief is that he has sold 150,00 sares short. All day Tuesday and again esterday there was beavy buying on every Don't spend all your enrolings in ip by a certain large firm of brokers, and t was whispered in the street that this caying was for Mr. Keene, the king of the shorts. The two things together, the bear ish interview and the buying of stocks sok very susplcious of exactly this condi-ion of affairs. If the theory is the correct one an excellent bull market may per-haps be looked for for several days to come, at least. Perhaps there will be a bull market anyway. Yesterday's advances in prices were the best and the most HORN, The 637 F.

calthy in appearance that the street has

seen for two or three months. The Keene interview is not an important matter as far as advancing any new hear arguments is concerned. Better than that, and somewhat to the surprise of the sized, it had no effect on the market on Theeday or yesterday, both days having been notably strong. Mr. Keene says in brief that prices are too high despite the prosperity of the country, which he dees not try to deny. He points, as others have to the immense floatation of industrial companies during the past year, and says, as others during the past year, and says, as other have, that of their \$4.500,000,000 capital a feast half is firtifious. He argues that all though there has been some increase in the gold supply of the country in the year t bears only a most insignificant propor-ion to the immense amount of new capi-alization, representing at the best not more than "good will." He says what is indoubtedly true, that the financial institu-I these new trusts lost immense sums of

Several individual securities and sev tions of the advances in this quarter were lackfire. The simultaneous strength of New York Central and Northwestern had the usual effect of reviving the old "deal" numbers, and there were also reports current that with the filling for probate of the will arguments for this group. Pennsylvania Plays Budly.

PHILADELPHIA, Oct. 18.—The University of Pennsylvania team played the weak Wesleyan eleven on Franklin Field this afternoon, and the lest the Quakers could do was to score 17 points to the visitors 6. The combination of players that opened the game for the Quakers was rather an experimental one, and it was a frequent occurrence for Coach Woodraff to make substitutions, which ultimately had their effect. Pennsylvania played poorly in the first half as well as in the carry portion of the second half. It was not until a number of substitutes were put on in the second half that she played with aggregsiveness, among these new fixtures David-son playing in a form that put his fellow Wesleyan scored her touchdown on a

most remarkable run of 65 yards by Wil-cox on a double pass. By beautifully dodging half a dozen Pennsylvania players he shifted the left oud and carried the half. own the field for a touch-down
